## GRANT APPLICATION

SMSA, a Washington Main Street community, is proud to announce its Sumner Facade Enhancement Grant Program. Downtown businesses and property owners are eligible for a matching grant worth up to \$2,500 in facade improvements. Grant recipients must complete building facade improvements by September 30, 2022.

### Program Goal

The Sumner Facade Enhancement Grant Program offers matching funds to beautify downtown Sumner. Here are examples of facade improvement projects eligible for grant funding (this is not a comprehensive list):

- Business or building signage
- New or replaced awnings
- Exterior painting
- Exterior lighting
- Door/window replacement

### Program Details

Projects located within the SMSA historic district are eligible (see map).

- Individual projects can receive up to \$2,500 in funding. There is \$5,000 available for the Facade Enhancement Grant Program in 2022.
- Projects should comply with any jurisdictional permits, if required, as a condition of funding.
- Building owner's consent is required for funding.
- Receipts/additional documentation may be required for reimbursement of project costs.

### Grant Criteria

- Enhances or restores a historic building element (10 points)
- Provides activity and interest along the street front (10 points)
- Improves the pedestrian experience (10 points)
